RE: Serial No. 10/743,824

Comments: Please send out a Corrected Filing Receipt.

As noted in pen and ink on the following Filing Receipt, the filing date that should be accorded the application papers is December 29, 2003.

Although the Filing Receipt now reflects that the application papers were filed on December 24, 2003, the undersigned placed them into a drop box at the PTO on the afternoon of Friday, December 26, 2003, not realizing that they would be dated as if deposited on December 24, 2003. Unknown to the undersigned, the President of the U.S. (on short notice) had given government workers a holiday on Friday, December 26, 2003. Thus, the actual date that should be accorded the application papers is the first work day following their deposit, which was Monday, December 29, 2003.
